

INTERNATIONAL ASSOCIATION OF FIRE CHIEFS

Providing leadership for the fire and emergency services since 1873

4025 FAIR RIDGE DRIVE • FAIRFAX, VA 22033-2868 • TEL: 703/273-0911 • FAX: 703/273-9363 • www.iafc.org

18 June 2008

CEM® Commission
International Association of Emergency Managers
201 Park Washington Court
Falls Church, VA, 22046-4527

Dear CEM® Commission:

I am writing to verify that during the twelve-year IAFC membership of Michael J. Fagel, PhD, he was a member of our Terrorism and Homeland Security Committee between 1999-2006.

Dr. Fagel's work while a member of the committee and his many contributions to the successes of the committee are well documented. Dr. Fagel was instrumental in working with the other committee members to achieve their strategic plan goals and objectives and to move forward the fire service preparedness counterterrorism agenda in a post-9/11 world.

Sincerely,

Mark W. Light, CAE
Executive Director

Dear CEM® Commission:

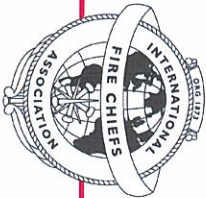

I am writing to certify that Michael J. Fagel, PhD, has been a member in good standing of the International Association of Fire Chiefs since January 1996.

Dr. Fagel is a valued member that we hope to continue our relationship with for many years to come.

Sincerely,

Mark W. Light, CAE
Executive Director

Falls Church, VA, 22046-4527

Dear CEM® Commission:

I am writing to verify that during the twelve-year IAFC membership of Michael J. Fagel, PhD, he was a member of our Health and Safety Committee between 1999-2005. That Committee has since become a much larger section which Dr. Fagel is still a member.

Dr. Fagel's knowledge and work experience around the world have made him more than qualified to serve on our former Health and Safety Committee. His reputation is renowned in the field of health and safety.

Dr. Fagel has been of great assistance to the IAFC's Government Relations Department in the past. He has served an advisor to the department, and had personal relationships with high-level, federal administration and agency key contacts which was of great assistance to the association overall.

Sincerely,

Mark W. Light, CAE
Executive Director
